

**FOOD FOR
THE HUNGRY**

Food for the Hungry Traveler's Agreement

- I will complete the pre-field and post-field training material before and after my team experience.
- I will strive to have a servant's attitude at all times and will avoid complaining during my trip.
- I will obey the leadership on my team.
- I will not use bad language, alcohol, drugs or tobacco products during the trip.
- I will follow all safety precautions during the trip.
- I will remember that I have come to learn, not to teach. I may run across procedures that I feel are inefficient or attitudes that I find closed-minded. I will be open to learning other people's methods and ideas.
- I will be considerate of my relationship with fellow team members, Food for the Hungry staff and community members. I will remember not to be exclusive in my relationships and will strive to interact with all in a way that honors Christ and is an example of biblical community to others.
- I realize that our team is in-country for just a short while, but that Food for the Hungry will maintain work in the community. I will respect the knowledge, insights and instructions of those our team will be working with.
- I understand that the goal of my trip is to share God's heart for the poor with others when I return.
